1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Current Customer

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We have already incurred an 18% increase in 2010. Since the last water increase customer service and water quality has suffered. Our Water usage is incorrectly read or estimated. Earlier this year we received a letter stating there is an unacceptable amount of lead in the water. Any rate increase is not justified.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I will not be able to attend.
